## Protective Measures Course

Florida Department of Law Enforcement  
Tampa Bay Regional Operations Center  
4211 N. Lois Ave.  
Tampa, Florida 33614

March 15<sup>th</sup> & March 16<sup>th</sup> 2016  
(12hrs)

### Course Purpose

This course builds awareness and understanding of the IED threat, terrorist planning cycle, and indicators of suspicious activity. Participants also learn about facility vulnerability analysis and counter-IED protective measures and strategies which can be utilized to mitigate risk and reduce vulnerabilities within their unique sectors.

### Who Should Attend?

This workshop is ideal for public and private sector security partners including security professionals and critical infrastructure executives, managers, and security staff tasked with increasing the security posture of a facility or event.

### Schedule of Events

- Module 1:** Introduction
- Module 2:** Terrorism and IED Threat Overview
- Module 3:** Terrorist Attack Planning
- Module 4:** Facility Vulnerability Analysis
- Module 5:** Protective Measures

### Class Schedule

March 15<sup>th</sup> 8am-5pm and March 16<sup>th</sup> 8:30-12:30pm

### Registration Information:

To register, please send your name, telephone number, email address, and company name, address, and position title to the following individual:

**Deborah McDonald**
