Experience two active shooter exercises by law enforcement

Dynamic...Realistic...

Educational

- (1) Simulated dementia unit activity room shooting
- (2) Simulated ALF/SNF/Hospital shooting

Find out how to protect your life

Receive Workshops pre and post drill on:

- * Pre Attack Behavior
- * Ethical Decisions - Should I Stay or Go?
- * Law Enforcement Expectations of Health Care During an Incident
- * What NOT to do when law enforcement arrives
- * How to Mitigate Closure during Crime Scene Investigation

Obtain resources to Improve Active Shooter Plans and drill employees

This program is designed to help healthcare professionals understand how they may react/feel during an incident and provide tools to assist with "run, hide, fight" actions to protect life.

Limited scholarships are available. Contact Carol.Jeffers@flhealth.gov
